

**BUREAU OF PHARMA PUBLIC SECTOR UNDERTAKINGS OF INDIA
(BPPI)**

Addendum

Tender: BPPI/Drug/001

Date: 29.10.2013

Further to the Pre-bid Meeting and interaction with some of the bidders, it has come to our notice that few bidders are of the apprehension that though the Price Bid is not opened on 06.11.13, their rates will be leaked out based on the working given for EMD as per Annexure V of the tender document.

We have clarified the position and kept two slabs for EMD i.e. 2 lacs/5 lacs, which is to be provided along with the Technical Bid Cover 'A'. The tentative working details are only an indicator.

In order to clarify and make sure that no such incidents take place, it is now clarified that the information sought as per Annexure V of the tender, the bidder may work out the details and place the same in a sealed cover along with the Price Bid Cover 'B'.

In case there is any false declaration and the EMD provided is not as per the slabs given/ is inadequate, the tender shall be summarily rejected.

Another matter about which some of the bidders expressed concerns is the declaration of the cost of instruments at the manufacturing unit. On further examination on the above subject, it is clarified that the bidders need not submit the value of the instruments. Nonetheless, declaration of the list of instruments at the manufacturing unit is mandatory.
