BUREAU OF PHARMA PUBLIC SECTOR UNDERTAKINGS OF INDIA

TENDER FOR THE SUPPLY OF DRUGS AND MEDICINES TO BUREAU OF PHARMA PUBLIC SECTOR UNDERTAKINGS OF INDIA FOR THE YEAR 2013-2015

Jan Aushadhi Campaign was started in 2008 with key objective of making quality generic medicines available at affordable prices for all, particularly the poor and disadvantaged, through specialized outlets called Jan Aushadhi Stores (JAS). In order to enable a focused and institutional approach to implement the Jan Aushadhi Campaign in particular, BPPI was established in December, 2008 under the Department of Pharmaceuticals, Government of India, with the support of all the CPSUs.

The Bureau has been registered as an independent society under the Societies Registration Act, 1860 in April, 2010. BPPI follows the provisions of GFR, 2005 as amended from time to time, the CVC guidelines, and instructions from the Department of Pharmaceuticals.

After varied success in last five years and to give a new thrust to Jan Aushadhi Campaign, a New Business Plan has been worked out. It aims to extend the geographical coverage of the scheme, by opening more than 3000 stores during the 12th Plan Period. It is proposed to channelize efforts to popularize the scheme in a few selected states and ensure availability of the complete basket of medicines at affordable prices. As proposed in the new business plan, by the end of the current financial year, a minimum of 500 new stores will be opened. The projections for opening of minimum number of stores in the years 2014-15, 2015-16 and 2016-17 are 750, 1000 and 750 respectively.
