PMBI/IT/2022-23 /6 1

Date:26/07/2022

Circular

Subject: Awareness regarding new feature embedded in POS Software.

PMBI is growing organization and has already rolled out end to supply chain solutions to ensure growth.

The use of POS (Point of Sale) Software under 'Pradhan Mantri Janaushadhi Pariyojana' is mandatory for every Janaushadhi Kendra for targeted delivery of supply chain solutions and other IT services which brings the effective governance, transparency, and efficiency, and enables Kendra Owners to perform daily sale/purchase operations in a digitally convenient manner from the pool of centralized IT infrastructure.
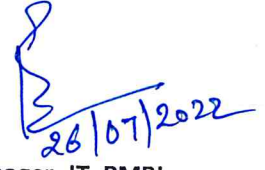

In this context, PMBI has embedded following features in the existing POS software for all Kendra owners to execute day to day sales, purchase and effective backup management system.

- Available Stock visibility for order initiation
- Restore Backup through cloud repository

Therefore, every Kendra Owners are requested to update the new version of POS software and get connected with the enhanced IT infrastructure.

In case of any query/difficulty found as above upgradation, Kendra owners may directly contact to below officer or can raise concern through email id: posquery@janaushadhi.gov.in or helpline no. 1800-180-8080 / 0124-3561100.
